The Manager and the Supervisor shall have no liability for loss on any sale or redemption made pursuant to this clause.

7.3 Consolidation or Subdivision of Units: The Manager may at any time, by notice in writing to the Unit Holders, cause the Units in existence at the date of that notice to be consolidated or subdivided. Each such notice shall specify:

- (a) the date on which such consolidation or subdivision is to take place (the "**Operative Date**"); and
- (b) the ratio which the number of Units in existence after the consolidation or subdivision will bear to the number of Units in existence before the consolidation or subdivision (the "**Ratio**").

7.4 Effect of Consolidation or Subdivision: As from the Operative Date, each Unit Holder shall be deemed to hold a number of Units equivalent to the number held by him or her before the Operative Date multiplied or divided (as the case may be) by the Ratio. For this purpose, at the option of the Manager in each case, fractions may be dealt with by rounding upwards or downwards to the nearest whole number. The Manager shall make such arrangements as it deems appropriate, following a consolidation or subdivision, for the cancellation of existing certificates for the Units (if any) and, if the Trust issues certificates, the issue of new certificates.

SECTION 5: REDEMPTION, REPURCHASE, TRANSFER AND TRANSMISSION OF UNITS

8. REDEMPTION OR REPURCHASE OF UNITS

8.1 **Redemption and Repurchase of Units:** Subject to the Listing Rules, the Manager may, but shall not be under any obligation to, repurchase Units or cause the Supervisor to redeem Units. For so long as the Units are Quoted, it is intended that any repurchase or redemption of Units shall be limited to discrete transactions or series of transactions within defined timeframes in accordance with the Listing Rules. Where the Manager repurchases or causes the redemption of Units while such Units are Quoted, the Repayment Price shall be set by the Manager but shall not exceed the amount specified in clause 8.6 unless approved by an Extraordinary Resolution of Unit Holders, and clauses 8.10, 8.11, 8.13 to 8.20 shall apply accordingly, and clauses 8.2 to 8.9, 8.12 and 8.21 shall not apply. If the Units are not Quoted, and the Manager elects (at its sole discretion) to permit redemption or repurchase of Units, clauses 8.2 to 8.21 shall apply.

8.2 **Number of Units Less than a Minimum Parcel:** Where the Manager receives a Redemption Notice, the Manager may in its sole discretion:

- (a) Unless the Redemption Notice relates to all the Units held by a requesting Unit Holder, refuse to repurchase or cause to be redeemed the Units to which the Redemption Notice relates in any case where the repurchase or redemption of less than a Minimum Parcel is requested; and
- (b) If the number of Units held by the requesting Unit Holder (after excluding the number of Units to which the Redemption Notice relates) is less than a Minimum Parcel, repurchase or cause to be redeemed the balance of Units held by that Unit Holder as if the request relates to all the Units held by that Unit Holder.

8.3 **Permitted Redemptions to be exercised by notice to Manager:** Where a Unit Holder wishes to redeem Units the Unit Holder shall give the Manager a Redemption Notice (in such form and with such notice period as may be prescribed by the Manager from time to time) specifying the number of Units to be redeemed or repurchased or, with the Manager's approval, the amount of the proceeds which the Unit Holder wishes to receive from the redemption or repurchase, and accompanied by the certificate (if any) relating to those Units. A Redemption Notice shall be irrevocable unless the Manager agrees otherwise.

8.4 **Manager may redeem or repurchase:** The Manager may within a reasonable time after the next Valuation Date following the Request Date, at the election of the Manager, either:

- (a) cause the number (or value) of Units held by the Unit Holder referred to in the Redemption Notice to be redeemed by the Supervisor out of the Assets; or

(b) repurchase the number (or value) of Units held by the Unit Holder referred to in the Redemption Notice out of its own funds.

8.5 **Amount Payable:** Upon the repurchase or redemption of a Unit, the amount payable to the Unit Holder shall be the Repayment Price of the Unit less any Unpaid Amount and less any other deductions permitted under this deed. That amount shall be paid to the Unit Holder within 30 Business Days of the Request Date or on such earlier date as the Manager may elect.

8.6 **Repayment Price:** The Repayment Price of a Unit shall be the amount calculated by the Manager in accordance with the following formula:

NAV - TC

where:

NAV = the Net Asset Value of the Trust calculated on the latest practical Business Day before the date of repurchase or redemption (where the Units are not Quoted) or on a date selected by the Manager which is no more than 30 Business Days before the date of repurchase or redemption (where the Units are Quoted), divided by the aggregate number of Units on issue;

TC = the Manager's estimate of the total cost of selling the Assets (or such lesser amount, including zero, as the Manager determines), divided by the aggregate number of Units on issue.

8.7 **Fractions of Cents:** If the formula in clause 8.6 results in the aggregate Repayment Price for all the Units being redeemed or repurchased by a Unit Holder including a fraction of a one half cent or more, the aggregate Repayment Price for all such Units may be adjusted, at the option of the Manager, to the nearest cent above the aggregate Repayment Price so calculated, and if the formula results in the aggregate Repayment Price including a fraction of less than one half cent the aggregate Repurchase Price for all such Units may be adjusted, at the option of the Manager, to the nearest cent below the price so calculated.

8.8 **Order:** Unless the Manager decides otherwise, the first Units issued to a Unit Holder are the first redeemed or repurchased.

8.9 **Delay if Consideration Not Otherwise Received:** Where the consideration for Units has not been received or cleared or transfer has not been completed or the consideration has been retrieved or reversed, the Manager need not repurchase or cause redemption of the

Units so applied for until such unpaid payment is received by, transferred to, or such retrieved or reversed amount is repaid to, the Manager.

- 8.10 **Manager entitled to Units on Repurchase:** Upon repurchase of any Units by the Manager, the Manager shall be entitled to the benefit of the Units and may at any time thereafter resell or redeem such Units subject to the terms of this deed.
- 8.11 **Manager to Notify Supervisor of Election to Redeem:** Where the Manager elects to cause the Units specified in a Redemption Notice to be redeemed, the Manager shall, within 10 Business Days of the Request Date, advise the Supervisor of that election and of the amount to be paid to the Unit Holder and of the date for such payment.
- 8.12 **Manager to use reasonable endeavours to ensure sufficient cash for Redemptions:** The Manager shall use all reasonable endeavours to ensure that a sufficient amount of the Assets are available in cash to enable any payment for a redemption to be made.
- 8.13 **Cancellation of Units:** Where Units are redeemed, upon payment of the Repayment Price to the Unit Holder, the number of Units so redeemed shall be cancelled as at the date of redemption and such Units shall not thereafter be re-issued, but this shall not restrict the rights of the Manager to create additional and/or to issue further Units in the Trust.
- 8.14 **Supervisor to Redeem Manager's Units:** The Manager may at any time request the Supervisor to redeem Units which have been or are to be repurchased by the Manager and the Supervisor shall as soon as practically possible redeem those Units and pay to the Manager the Repayment Price of the Units. If the application for redemption is made before the Manager pays the Repayment Price to the Unit Holder, the Supervisor may pay the Repayment Price directly to the Unit Holder. Any amount that is required to be paid under this clause shall be paid from cash and, if there is insufficient cash, then the amount or the balance (as the case may be) shall be paid upon the realisation of Assets or at such other time as the Supervisor has in respect of the Trust sufficient cash to meet the obligations under this clause.
- 8.15 **Manager's Statement on Redemption Request:** If, at the date the Manager applies to the Supervisor for redemption, there is likely to be insufficient cash in the Trust to enable the Supervisor to redeem any Units in respect of which the Manager has applied to the Supervisor for redemption, then the Manager shall furnish to the Supervisor a statement in writing:
- (a) certifying that there is insufficient cash in the Trust for such purpose;
 - (b) specifying the amount of cash required to meet such redemption;

- (c) certifying that it is either necessary to sell Assets (and, if so, recommending the Assets to be sold) or alternatively recommending that borrowings be made; and
 - (d) advising as to the Net Asset Value of the Trust and the total of all costs and other disbursements and expenses incurred or expected to be incurred by the Supervisor and the Manager in the sale by the Supervisor of all Assets recommended to be sold or in the borrowing to be made (as the case may be).
- 8.16 **Entry on Register:** On repurchase or redemption of Units, the Manager shall make an appropriate entry in the Register in respect of the number of Units which have been repurchased or redeemed and on redemption shall produce to the Supervisor such evidence of payment as shall from time to time be required by the Supervisor.
- 8.17 **Sums owed to Manager or Supervisor:** The Supervisor must deduct from the Repayment Price payable to a Unit Holder any unpaid moneys due by the Unit Holder to the Manager, if the Manager requests, and may deduct such moneys if due to the Supervisor. The Manager, if paying the Repayment Price, may make such deductions from the Repayment Price. The Manager at its discretion shall further be entitled to deduct an amount assessed by the Manager as the value of imputation credits (as defined in the Tax Act) attached to any redemption amount which is in excess of the Unit Holder's pro rata share of the Trust's imputation credit account. In the event of any such deduction being made, the same shall form part of the Trust. The total amount to be paid to the Unit Holder shall be rounded downwards to the nearest cent.
- 8.18 **Transfer of Assets:** The Manager may direct the Supervisor to transfer Assets to a Unit Holder, or with the Supervisor's consent to hold Assets on trust solely for a Unit Holder on such terms as the Supervisor requires, rather than pay cash on the redemption of Units. These Assets must be of equal value to the Repayment Price less any deductions permitted by this deed (based on a valuation done by a Valuer within one month before the date of the proposed transfer), provided that the amount of any costs paid by or on behalf of the Unit Holder relating to the transfer may be deducted from such value. The costs of the valuation will be an expense of the Trust.
- 8.19 **Payment in cash:** For any proceeds of redemption or repurchase paid in cash, payment in accordance with the Unit Holder's instructions or, in the absence of any instructions, by cheque posted to the address of the Unit Holder specified in the Register shall constitute valid payment and shall discharge the Manager and the Supervisor from any further payment obligation.
- 8.20 **Payment other than in cash:** For proceeds of redemption or repurchase paid by transferring Assets, payment by transferring such Assets into the name of or to the order of

the Unit Holder shall constitute valid payment and shall discharge the Manager and the Supervisor from any further payment obligation.

8.21 **Suspension of Repayment:** Notwithstanding the foregoing, if for any good reason reasonably determined by the Manager, the Manager shall form the opinion that it is not desirable, or would be prejudicial to the interests of Unit Holders as a whole, for the Manager to repurchase or the Supervisor to redeem Units, then the Manager may give notice to that effect to any Unit Holder who gives or has given a Redemption Notice. A Suspension Notice shall have the effect of suspending the operation of all Redemption Notices relating to the Trust until:

- (a) the Manager gives to the Unit Holders who gave those Redemption Notices notice to the effect that the Suspension Notice is cancelled; or
- (b) such date as is approved by a Resolution of Unit Holders,

whichever is the earlier. Where a Suspension Notice has been given pursuant to this clause 8.21 and not cancelled within 14 days of such Suspension Notice, the Manager shall notify all Unit Holders of the giving of such Suspension Notice. Where a Suspension Notice has not been cancelled within 6 months after the last notice to Unit Holders has been given pursuant to this clause 8.21, the Manager shall notify all Unit Holders of the continuance of such Suspension Notice's effect.

9. TRANSFER OF UNITS

9.1 **Instrument of Transfer:** Subject to any contrary provisions of this deed as may be applicable, any Unit Holder may transfer all or any of the Units held by him or her by instrument in writing as follows:

- (a) any Units disposed of by an "authorised transaction" within the meaning of the Act may be transferred by an instrument of transfer complying with the provisions of that Act;
- (b) every instrument of transfer not falling within the provisions of clause 9.1(a) shall be in such form as the Manager may approve from time to time and shall be signed by the transferor and the transferee.

9.2 **Registration of Transfer:** The instrument of transfer with any stamp duty or other duties payable thereon having been paid shall be delivered to the Manager or, if the Manager has appointed a Registrar, the Registrar for registration. Subject to clause 9.3, the Manager will promptly cause the transfer to be registered in the Register.

9.3 **Manager may decline to Register Transfers:** Subject to the Listing Rules, if applicable, the Manager may decline to register any transfer if:

- (a) registration of the transfer, together with the registration of any further transfer or transfers then held by the Manager and awaiting registration, would result in less than a Minimum Parcel of Financial Products standing in the name of the transferee; or
- (b) the Manager, in its capacity as manager of the Trust, has a lien on any of the Financial Products; or
- (c) the instrument of transfer is not accompanied by such evidence as the Manager may reasonably require to show the right of the transferor to make the transfer.

9.4 **Manager to Return Unregistered Transfers:** All instruments of transfer which are registered may be retained by the Manager but any instrument of transfer which the Manager declines to register shall be returned promptly to the person lodging the same.

9.5 **Suspension of Registration:** Subject to any relevant legal requirements or the Listing Rules, if applicable, registration of transfers may be suspended at such times and for such period or periods (not exceeding in the whole 30 days in any year) as the Manager may from time to time determine.

10. TRANSMISSION OF UNITS

10.1 **Persons Recognised by the Manager:** The executors or administrators of a deceased Unit Holder (not being one of several joint Unit Holders) and in the case of the death of one or more of several joint Unit Holders the survivor or survivors of such joint Unit Holders shall be the only persons recognised by the Manager as having any title or interest in the Units held by such Unit Holder or Unit Holders.

10.2 **Claimants to Prove Entitlement:** Any person becoming entitled to any Units in consequence of the death or bankruptcy of any Unit Holder may, upon producing such evidence as the Manager shall think sufficient to establish that person's entitlement to such Units, be registered as the Unit Holder of such Units or, subject to the provisions as to transfer contained in clauses 9.1 to 9.5, may transfer such Units.

10.3 **Entitlement on Transfer or Transmission of Units:** Upon the registration of any transfer or transmission of Units from any person, the benefit of the Units (including the rights to any bonus units or income) shall be deemed to be transferred to the Unit Holder into whose name the Units shall be registered.

SECTION 6: PARTLY PAID UNITS AND FORFEITURE**11. PARTLY PAID UNITS AND FORFEITURE****11.1 Partly Paid Units:**

- (a) The Unpaid Amount on any Units shall be paid by the Unit Holder on the date fixed by or in accordance with the terms of issue of those Units.
- (b) Subject to the rights, obligations and restrictions attaching to any Units or Classes of Units, the Manager may call on a Unit Holder to pay all or any part of the Unpaid Amount of the Issue Price of their Units to the Supervisor at any time, provided the time for payment of any called amount shall be on or after any date fixed for the payment of such unpaid amount.
- (c) If an amount called or otherwise due for payment in respect of the Issue Price of a Unit is not paid on the due date for payment, the Unit Holder from whom the amount is due shall pay interest on the amount at a rate (determined at 3 monthly intervals commencing on the date the Unpaid Amount becomes payable) for each 3 monthly period at the Market Rate plus 2% per annum, such interest to be calculated on and accrue on the daily amount outstanding from the date the amount becomes payable to the date of payment, forfeiture of the Units pursuant to clause 11.3, or sale of the Units pursuant to clause 11.6(c), whichever is earlier.
- (d) The joint Unit Holders of a Unit are jointly and severally liable to pay all Unpaid Amounts in respect of that Unit, together with any interest that has accrued under clause 11.1(c) on those Unpaid Amounts.

11.2 Forfeiture of Units: If a Unit Holder fails to pay any Unpaid Amount on the date set for payment of such Unpaid Amount or pay any such Unpaid Amount when validly called on a Unit under clause 11.1, the Manager may, at any time during such time as the Unpaid Amount remains unpaid, give notice to that Unit Holder requiring payment of any Unpaid Amount together with any interest which may have accrued. The notice must nominate a date (not earlier than the expiration of 14 days from the date of service of the notice) by which the payment must be made, and must include a statement to the effect that if the payment is not made by the nominated date the relevant Units will be liable to be forfeited.

11.3 Date of forfeiture: If the notice in clause 11.2 is not complied with by the Unit Holder by the nominated date, any Unit in respect of which the notice has been given may, at any time thereafter before the required payment has been made, be forfeited from the date that the Manager notifies the Supervisor. Such forfeiture shall include any entitlement to income

accrued in respect of the forfeited Unit and not paid before the forfeiture, but the Unpaid Amount shall be reduced by the amount of such income.

- 11.4 **Forfeited Units may be disposed of:** Subject to this deed, a forfeited Unit may be sold or otherwise disposed of by the Manager.
- 11.5 **Cancellation of forfeiture:** At any time before a sale or disposition pursuant to clause 11.4, forfeiture may be cancelled on such terms as the Manager thinks fit and must be cancelled where the Unit Holder pays to the Manager the full amount owing in respect of such Units.
- 11.6 **Lien on Units:**
- (a) The Manager has a first and paramount lien upon every Unit registered in the name of any Unit Holder (whether solely or jointly with others) and upon the proceeds of sale of the Unit, and all distributions made or payable in respect of the Unit (and all Units acquired with those distributions under a distribution reinvestment scheme), for:
 - (i) any unpaid calls or instalments owing in respect of such Unit and any interest payable on such amounts; and
 - (ii) for such amounts (if any) as the Supervisor or the Manager may be called upon to pay under any statute or legislative enactment in respect of Units of a deceased or other Unit Holder, whether the period for the payment shall have actually arrived or not.
 - (b) Unless otherwise determined by the Manager, the registration of a transfer of Units shall not operate as a waiver of the Manager's lien, if any, on such Units.
 - (c) The Manager may sell, in such manner as it thinks fit, any Units on which it has a lien. No sale shall be made unless a sum in respect of which the lien exists is presently payable, nor until the expiration of 14 days after notice in writing, stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the Unit Holder, or the persons entitled thereto by reason of the death or bankruptcy of the Unit Holder.
 - (d) The Manager may, as concerns any Units on which it has a lien, revoke the participation of those Units in any distribution reinvestment scheme.
- 11.7 **Sale procedure:** For giving effect to any such sale after forfeiture, or for enforcing a lien, the Manager may, as attorney of the relevant Unit Holder, execute a transfer of any Unit in favour of the purchaser of the Unit and the Unit Holder authorises the Manager and appoints the Manager as its attorney to do so. As soon as practicable after the transfer is executed,

the transferee must be registered as the Unit Holder and will not be bound to see to the application of the proceeds of sale nor will the transferee's title to the Unit be affected by any irregularity or invalidity in the proceeds in relation to the forfeiture or sale of the Units. The Unit Holder shall be liable to reimburse the Manager, on demand, for all costs and expenses incidental to the forfeiture and/or sale.

- 11.8 **Proceeds of sale:** The proceeds of sale of any forfeited Unit, or of Units sold for the purpose of enforcing a lien, shall be applied first towards the payment of all costs and expenses incidental to the forfeiture and/or sale, secondly toward the payment of any interest, thirdly on account of the amount in respect of which the notice referred to in clause 11.2 or clause 11.6(c) (as the case may be) was given and fourthly in payment of the balance (if any) remaining to the Unit Holder whose Units have been sold (or their legal personal representatives or assigns).
- 11.9 **Remaining liability of Unit Holder:** A Unit Holder whose Units have been forfeited or sold for the purpose of enforcing a lien, shall cease to be a Unit Holder from the date when a notice in relation to the relevant Units is given to the Supervisor under clause 11.3 or the date the Units are sold pursuant to clause 11.6(c) (whichever is applicable) but shall, notwithstanding such forfeiture or sale, remain liable to pay all money which, at the date of the forfeiture or sale, was payable by such Unit Holder in respect of the Units. Such liability will cease if and when the Manager receives payment in full of all such money. Any Unit sold in accordance with clause 11.4 or 11.6 will:
- (a) be credited as paid up to the sum of the amount paid up on the Unit on the day of the sale and the amount of the Unpaid Amount becoming payable on or before the day of the sale; and
 - (b) continue to be subject to a liability to pay any further amount equal to the Unpaid Amount (if any) in accordance with this deed, such that the transferee of the Unit shall be liable to pay that amount.

SECTION 7: INVESTMENTS AND VALUATIONS

12. INVESTMENT

- 12.1 **Investment Procedure:** The Assets shall from time to time be invested by the Manager in Authorised Investments.
- 12.2 **Investment policy:** The Statement of Investment Policy and Objectives shall provide for the matters set out in the Act. The Manager may vary those policies from time to time in consultation with the Supervisor. If the variation is material to Unit Holders, the Manager

shall give at least 20 Business Days' prior notice to NZX for public release if the Trust is Listed or, if the Trust is not Listed, to Unit Holders directly.

- 12.3 **Supervisor's role:** Subject to its duties as trustee and supervisor, the Supervisor must give effect to the Manager's directions in relation to the investment of the Assets. The Supervisor must not acquire or dispose of any Asset except as directed by the Manager until the Trust terminates.
- 12.4 **Manager's Power of Investment:** Subject to section 160 of the Act and to this clause 12, the Manager shall have absolute discretion as to the investment of any Assets and as to how the Assets and Liabilities are dealt with and the purchase, sale, transfer, exchange, lease, alteration of or other dealing with any of the Assets from time to time.
- 12.5 **Interested Party Transactions:** Notwithstanding any other provision of this deed:
- (a) no sale or disposal of any Assets shall be made to the Manager or any Related Person of the Manager unless the Supervisor is satisfied the sale or disposal is on normal commercial terms, or terms as favourable to the Trust as normal commercial terms, and in accordance with the Statement of Investment Policy and Objectives; and
 - (b) no purchase or acquisition of any Assets shall be made from the Manager or any Related Person of the Manager unless the Supervisor is satisfied the purchase or acquisition is on normal commercial terms, or terms as favourable to the Trust as normal commercial terms, and in accordance with the Statement of Investment Policy and Objectives; and
 - (c) the Supervisor shall not be required to consider any transaction described in clauses 12.5(a) and 12.5(b) until such time as the Manager has certified to the Supervisor that in the Manager's opinion the transaction is on normal commercial terms, or terms as favourable to the Trust as normal commercial terms, and in accordance with the Statement of Investment Policy and Objectives. It shall be the responsibility of the Manager to advise the Supervisor before such transaction that any such sale, disposal, purchase or acquisition involves the Manager or any Related Person of the Manager; and
 - (d) without prejudice to clauses 12.5(a) to 12.5(c), transactions involving a related party benefit (as that term is defined in the Act) may only be entered into as permitted by the Act.
- 12.6 **Bonus Assets:** Any shares or other property received by way of bonus or in lieu of or in satisfaction (in whole or in part) of a dividend in respect of any Asset or from amalgamation

or reconstruction of any corporation in which part of the Trust is invested may either be retained as part of the Trust, or sold, with the proceeds remaining part of the Trust, or retained as to part and sold as to the balance.

12.7 **Costs:** All costs, Taxes, and legal fees and other fees, disbursements and expenses incurred by the Supervisor or the Manager in connection with the investigation of, negotiation for and acquisition of any Asset, or in connection with any sale, transfer, exchange, replacement or other dealing with or disposal of any Asset shall be payable by the Trust.

12.8 **Investment Record:** The Manager shall keep a record of all investments of the Trust, which record shall state in respect of each investment:

- (a) the nature of the investment;
- (b) the date of acquisition thereof by the Trust;
- (c) the cost thereof;
- (d) the date of maturity thereof (if any);
- (e) particulars of the security thereof (if applicable);
- (f) such particulars as to the Value thereof as the Supervisor and the Manager from time to time agree;
- (g) any other information that the Supervisor and the Manager regard as desirable in respect of the investments comprising the Trust.

The record shall be available for inspection by the Supervisor without charge at any time on any Business Day. The Manager will provide a copy of the investment record to the Supervisor on request, but no more regularly than on a monthly basis.

12.9 **Voting Rights of Investment:**

- (a) Subject to the provisions of this deed, all voting rights conferred by the Assets shall be exercised in such manner as the Manager may from time to time decide. At the request of the Manager, the Supervisor shall execute, deliver and appoint or cause to be executed, delivered and appointed such proxies, attorneys and representatives as may be necessary to enable the Manager or its nominees to exercise or act in relation to such voting rights.
- (b) Subject to the provisions of this deed, neither the Manager, the Supervisor, nor any holder of any proxy or power of attorney referred to in clause 12.9(a) shall be liable or responsible for any vote cast or not cast.

13. VALUATIONS

13.1 **Valuation Register:** The Manager shall maintain a Valuation Register for the Trust in which the Manager shall record the Value determined in accordance with this clause 13 of all Assets which are for the time being included in the Trust.

13.2 **Periodic Valuations:**

- (a) The Manager shall be entitled to value all or any of the Assets at any time or times on any Business Day.
- (b) If the Supervisor so requires, the Manager will have any Asset valued in accordance with clause 13.3.
- (c) The Manager shall value each Asset (other than a property) on any Business Day on which the Repayment Price is calculated pursuant to clause 8.6, or on which the Issue Price is determined under paragraph (c) of the definition of Issue Price, or at such times or within such other period as the Supervisor and the Manager shall from time to time agree in respect of that Asset.
- (d) The Manager shall value each property held by the Trust or by a company all of the shares of which are held by the Trust, as often as is required by generally accepted accounting practice and applicable financial reporting standards.

13.3 **Basis for Valuation:** Subject to clause 13.5, the Value of each Asset shall be:

- (a) in the case of a property, the value determined by a Valuer;
- (b) in the case of cash, its face value;
- (c) in the case of securities listed on any stock exchange, the latest sale price of the Asset on that stock exchange at the time of valuation, except if such price is:
 - (i) above the latest seller quotation, in which case that quotation shall be adopted; or
 - (ii) below the latest buyer quotation, in which case that quotation shall be adopted,provided that if there shall have been no such sale in the five Business Days ending with the date on which the assessment of the Value of the Asset is made, or if either the Manager or the Supervisor shall form the view that such last sale price or quotation is not an accurate measure of the Value of such Asset, the Value

thereof shall be the fair market value determined by the Manager following receipt of advice from a Valuer; or

- (d) in the case of debt securities, other than listed debt securities or cash, a value determined using such methodology as the Manager reasonably thinks fit; or
- (e) in the case of any other Authorised Investment, the amount agreed upon between the Manager and the Supervisor as the estimated market value after taking account of the most recent material sales, valuation, and other information that the Manager and the Supervisor consider to be appropriate or, failing such agreement, the fair market value determined by a Valuer.

- 13.4 **Value of Dual Listed Stocks:** Where any Asset is quoted on more than one stock exchange, its value may be determined by reference to the prices and quotations of the stock exchange which is considered by the Manager to be most appropriate.
- 13.5 **Net Asset Value to be Ascertained:** The Manager may ascertain the Net Asset Value of the Trust on any Business Day and shall ascertain the Net Asset Value of the Trust at least once every 12 months.
- 13.6 **Manager's Decision is Final:** Subject to clause 13.7, the Net Asset Value of the Trust ascertained by the Manager in accordance with this deed is final and binding on all persons including without limitation the Manager, the Supervisor and any applicant or subscriber for, or purchaser of Units, and all Unit Holders.
- 13.7 **Valuation on a Consistent Basis:** The Manager shall ascertain the Net Asset Value of the Trust and the Value of the Assets on a consistently applied basis accepted as being appropriate by the Supervisor. The Manager shall however be entitled at any time or times to alter that basis and the application, provided the Manager first gives notice to the Supervisor of the alterations proposed by the Manager.

SECTION 8: FINANCIAL STATEMENTS AND THE AUDITOR

14. RECORDS AND FINANCIAL STATEMENTS

- 14.1 **Records:** The Manager shall keep such accounting records as correctly record and explain the transactions and the financial position of the Trust. The Supervisor shall from time to time upon request furnish the Manager with any information necessary for this purpose. The Manager shall keep at its office in Auckland or such other place approved by the Supervisor, proper books of account that will enable the Financial Statements of the Trust to be prepared and conveniently and properly audited in accordance with this deed.

- 14.2 **Full Year Financial Statements:** As soon as practicable after the end of each Financial Year for the Trust (and in any event within three months), the Manager shall prepare or procure the preparation of the Financial Statements for the Trust for that Financial Year.
- 14.3 **Half Year Financial Statements:** As soon as practicable, and at least within three months after the end of each half year (which is not the end of a Financial Year) for the Trust, the Manager shall prepare or procure the preparation of interim Financial Statements for the Trust as at, and in respect of, the period ending on the date which is the last day of that half year.
- 14.4 **Financial Statements to Comply with Legislation:** The Financial Statements shall comply with the Financial Reporting Act 2013, the Act, and all other relevant statutory requirements.
- 14.5 **Annual Financial Statements to Supervisor and Unit Holders:** When the Financial Statements referred to in clause 14.2 have been prepared and audited, the Manager shall forward a copy of such Financial Statements promptly to the Supervisor and every Unit Holder for the time being. This clause is subject to clause 28.7.
- 14.6 **Half Yearly Financial Statements to Supervisor and Unit Holders:** When the Financial Statements referred to in clause 14.3 have been prepared, the Manager shall forward a copy of such Financial Statements promptly to the Supervisor and every Unit Holder for the time being. This clause is subject to clause 28.7.
- 14.7 **Audit:** The Manager shall ensure that the annual Financial Statements prepared in accordance with clause 14.2 for the Trust are audited and reported on by the Auditor in accordance with the Act, and that a copy of the Financial Statements and the Auditor's report thereon is forwarded promptly following the issue of the Financial Statements and the Auditor's report to the Supervisor and every Unit Holder of the Trust for the time being. This clause is subject to clause 28.7.
- 14.8 **Consolidated Financial Statements:** Subject to the requirements of the Financial Reporting Act 2013, the Act, and all other relevant statutory requirements, references in this deed to "Financial Statements for the Trust" (or similar), are references to the consolidated financial statements of the Trust.

15. THE AUDITOR

- 15.1 **Appointment:** As soon as practicable after the date of execution of this deed the Manager shall, after consultation with the Supervisor, appoint an auditor or auditors for the Trust, who shall be a licensed auditor or registered audit firm (as those terms are defined in the Act). Nothing in this clause 15.1 will require the Supervisor to appoint or reappoint an auditor

merely as the result of an amendment or restatement of this deed where an auditor or auditors have already been appointed for the Trust and where such auditor or auditors are a licensed auditor or a registered audit firm (as those terms are defined in the Act).

- 15.2 **Auditor may act for others:** The Auditor may also be auditor of the Supervisor, the Manager, or any other trust whether of a similar nature to the Trust or otherwise but may not be an officer or employee (or the partner of an officer or employee) of the Manager or of the Supervisor.

16. INCOME AND DISTRIBUTIONS TO UNIT HOLDERS

- 16.1 **Distributable Amount:** The Manager shall specify its policy relating to distributions to Unit Holders in the first Prospectus for the Trust, but may vary that policy from time to time. The Distributable Amount shall be determined in accordance with the Manager's policy specified for the time being under this clause.
- 16.2 **Entitlement to Final Distributable Amount:** Unless otherwise agreed by the Manager and the Supervisor, and subject to the rights, restrictions and obligations attaching to any particular Units or Classes of Units:
- (a) The Final Distributable Amount is to be transferred to a Distribution Account as soon as practicable after the Record Date and ceases to be an Asset when it is transferred into the Distribution Account;

- (b) Unit Holders registered in the Register at the relevant Record Date are presently entitled to the Final Distributable Amount;
- (c) Payments must be made out of the Distribution Account as soon as practicable after the Record Date; and
- (d) Subject to the rights, restrictions and obligations attaching to any particular Unit or Classes of Units, the Final Distributable Amount must be distributed to Unit Holders pro rata according to the number of Units they hold as at the Record Date, provided that (subject to the rights, restrictions and obligations attaching to any particular Unit or Classes of Units) for this purpose a Unit which is partly paid shall be treated as that proportion of a whole Unit as the amount paid up bears to the Issue Price for that Unit or shall be treated in such other manner as the Manager determines and the Supervisor agrees.

16.3 **Interim distributions:** The Manager may determine to make interim distributions out of Net Accounting Income accruing during any Interim Distribution Period. If the Manager determines to make an Interim Distribution, the total amount to be distributed in respect of an Interim Distribution Period is to be transferred to the Distribution Account, or, if the Manager cannot determine such amount, the Manager's estimate of the amount is to be transferred to a reserve and then to a Distribution Account for distribution when the amount is determinable. These transfers will be made as soon as practicable after the Record Date. An amount will cease to be an Asset when it is transferred into the Distribution Account. Subject to the rights, obligations and restrictions attaching to any particular Units or Classes of Units, the amount of an Interim Distribution to which a Unit Holder will be presently entitled, and which will be distributed to that Unit Holder, will be determined on a pro rata basis according to the number of Units held as at the Record Date for the relevant Interim Distribution Period, provided that (subject to the rights, restrictions and obligations attaching to any particular Unit or Classes of Units) for this purpose a Unit which is partly paid shall be treated as that proportion of a whole Unit as the amount paid up bears to the Issue Price for that Unit or shall be treated in such other manner as the Manager determines and the Supervisor agrees.

16.4 **Distributions:** Subject to the rights, obligations and restrictions attaching to any Units or Classes of Units, the Manager may at any time direct the Supervisor to distribute any amount of capital or income to Unit Holders pro rata according to the number of Units held as at a time decided by the Manager. The distribution may be in cash or in specie or by way of bonus Units and any such bonus Units are to rank with existing Units for the purposes of distributions of income and capital as determined by the Manager.

- 16.5 **Distribution Reinvestment:** A Unit Holder may elect to reinvest some or all of any distribution by acquiring Units in the Trust, if the Manager approves. In those cases, the Manager is treated as having received an application to reinvest distributions on the first Business Day after the distribution is paid at the then applicable Issue Price. If the Manager approves distribution reinvestment, the procedure for reinvestment of distributions is to be determined by the Manager and notified to Unit Holders from time to time.
- 16.6 **Bonus issues in lieu of Distributions:** If the Manager decides to offer bonus issues of Units in lieu of distributions, a Unit Holder may elect this option in respect of all or some of its distributions from the Trust on the terms offered by the Manager. In those cases, the Supervisor shall issue Units in accordance with the terms of the offer and while the Units are Quoted, the Listing Rules.
- 16.7 **Payment:** The Manager must prepare or arrange for the preparation of distribution cheques or arrange for distributions to be paid.

- 16.9 **Classes:** The rights of a Unit Holder under this clause 16 are subject to the rights, obligations and restrictions attaching to the Units which they hold.
- 16.10 **Deduction of Tax payable by a Unit Holder:** The Supervisor or the Manager may deduct from any amounts payable to a Unit Holder any Tax paid or payable on behalf of or in respect of that Unit Holder. All amounts deducted shall be applied in reimbursing the Trust for any corresponding amount paid or reimbursed out of the Trust or reimbursing the Supervisor or the Manager for the payment thereof or in the payment of the Tax to the person or authority entitled thereto (as the circumstances may require).
- 16.11 **Indemnity for Tax:** Every Unit Holder shall indemnify the Supervisor and the Manager in respect of any Tax paid or payable by the Supervisor or the Manager on behalf of or in respect of the Unit Holder.

- (d) The Manager will convene meetings of Unit Holders in accordance with the provisions of section 13 of this deed.
- (e) The Manager will pay all money belonging to the Trust, received by the Manager, into the Trust's bank account.

18. FEES AND EXPENSES - MANAGER

18.1 **Manager's Fees:** Without limiting clause 18.7, the Manager shall be entitled to a management fee to be paid from the Assets comprising the aggregate of:

- (a) the Base Fee (calculated in accordance with clause 18.3), plus GST; and
- (b) the Performance Fee (calculated in accordance with clauses 18.4 to 18.6), plus GST.

18.2 **Payment:**

- (a) Subject to clause 18.3:
 - (i) For the period from 1 April 2014 up to and including 31 March 2019, the Base Fee shall be accrued in equal monthly instalments in arrears. The Base Fee payable for the first six months of each Financial Year shall be paid to the Manager within two months of the release to NZX of the half-year interim Financial Statements of the Trust with respect to those six months, and the Base Fee payable for the second six months of each Financial Year shall be paid to the Manager within two months of the

release to NZX of the Financial Statements of the Trust with respect to that Financial Year.

(ii) For all other periods, the Base Fee shall be paid in equal monthly instalments in arrears.

(b) The Performance Fee shall be calculated and paid yearly in arrears.

18.3 Base fee:

(a) The Base Fee for a Financial Year shall be calculated by reference to the book value of the Relevant Assets in the Trust's audited statement of financial position for the prior Financial Year, with such book value being deemed to be adjusted from time to time in accordance with clauses 18.3(b) and 18.3(c). "Relevant Assets" means all Assets of the Trust, other than cash and trade debtors.

(b) Where, during a Financial Year, the Manager makes any capital expenditure on a Relevant Asset forming part of the Assets, or acquires a Relevant Asset, the Base Fee for that part of the Financial Year subsequent to the capital expenditure or the acquisition of the Relevant Asset (as the case may be) shall:

(i) in the case of any capital expenditure, be increased with effect from (and including) the day in which the expenditure is incurred by adding the amount of the expenditure to the book value of the Relevant Assets for the purposes of clause 18.3(a); and

(ii) in the case of an acquisition of a Relevant Asset, be increased with effect from (and including) the day in which the acquisition occurs by adding the acquisition price of the Relevant Asset to the book value of the Relevant Assets for the purposes of clause 18.3(a).

(c) Where, during a Financial Year, the Manager disposes of a Relevant Asset, the Base Fee for that part of the Financial Year subsequent to the disposal of the Relevant Asset shall be decreased with effect from (and including) the day in which the disposition occurs by reducing the book value of the Relevant Assets for the purposes of clause 18.3(a) by the book value of the Relevant Asset sold.

(d) The Base Fee shall be calculated as follows:

(i) if the book value of the Relevant Assets (such value being calculated in accordance with clause 18.3(a)) is less than, or equal to, \$500 million, 0.50% per annum of such value; and

(ii) if the book value of the Relevant Assets (such value being calculated in accordance with clause 18.3(a)) is greater than \$500 million, the aggregate of:

(aa) \$2.5 million; and

(bb) 0.40% per annum of the amount by which such value exceeds \$500 million,

less, in each case, a rebate determined in accordance with clause 18.3(e).

(e) The rebate referred to in clause 18.3(d) shall be X% per annum of Development Land Value where:

"Development Land Value" means:

(i) For the first month after the balance date of the Financial Statements of the Trust for a Financial Year, the amount recorded in those Financial Statements as the value of "Development Land".

(ii) For the first month after the balance date of the interim half-year Financial Statements of the Trust, the amount recorded in those Financial Statements as the value of "Development Land".

(iii) For each other month, the amount that the Manager (acting reasonably) considers would have been given to "Development Land" in Financial Statements of the Trust if they had been prepared as at the last day of the prior month.

"X%" means, with respect to the Base Fee to be accrued or paid for a month, the percentage that the Base Fee per annum determined for that month under clause 18.3(d), prior to the deduction of the rebate, represents of the book value of the Relevant Assets (such value being the value used in the calculation in accordance with clause 18.3(a) of that Base Fee).

(f) If, in accordance with clauses 18.3(a) to 18.3(e), the Base Fee to be accrued or paid for a month cannot be determined pending the completion of any Financial Statements, the Trust shall accrue or pay, as the case may be, a Base Fee for that month equal to the last Base Fee for a month determined in accordance with clauses 18.3(a) to 18.3(e). On the Financial Statements being completed and the Base Fee for that month being determined, the Manager shall make any necessary adjustments to the accounting records of the Trust to reflect the actual Base Fee,

and (if the Base Fee is then being paid in monthly instalments pursuant to clause 18.8(b)) the Manager shall be paid by, or shall refund to, the Trust the necessary adjusting amount to reflect the actual Base Fee.

- (g) The Base Fee shall be adjusted on such occasions during the Financial Year as is necessary to comply with the provisions of clauses 18.3(b) and 18.3(c). If such an adjustment is made in any month, the Base Fee shall be calculated for that month by reference to the weighted average book value of the Relevant Assets (determined in accordance with clause 18.3(a)) in that month.
- (h) The amendments made to clauses 18.2, 18.3, 18.7 and 18.8, as approved by Unit Holders at a meeting on 5 August 2014, shall be deemed to come into effect on 1 April 2014, such that the Base Fee for each Financial Year thereafter shall (subject to those clauses) be calculated, and paid, in accordance with clauses 18.2, 18.3, 18.7, and 18.8, as amended.

18.4 Performance Fee:

- (a) The Performance Fee shall be calculated as follows:

 - (ii) Subject to clause 18.4(a)(iv), if Unit Holders' Returns in the relevant Financial Year are greater than the Threshold but less than or equal to the Cap, the Performance Fee for that Financial Year is 10% of the amount by which Unit Holders' Returns are greater than the Threshold multiplied by the weighted average number of Units on issue during the Financial Year.
 - (iii) Subject to clause 18.4(a)(iv), if Unit Holders' Returns in the relevant Financial Year are greater than the Cap, the Performance Fee for that Financial Year is 10% of the amount by which Unit Holders' Returns exceed the Threshold, up to and including the Cap, multiplied by the weighted average number of Units on issue during the Financial Year, and the Excess shall be applied in the manner specified in clause 18.6(a).
 - (iv) Notwithstanding clause 18.4(a)(ii) and clause 18.4(a)(iii), if Unit Holders' Returns in the relevant Financial Year are less than zero:

- (aa) clause 18.4(a)(ii) and clause 18.4(a)(iii) shall have no application to that Financial Year;
 - (bb) no Performance Fee shall be payable with respect to that Financial Year; and
 - (cc) an Excess for that Financial Year shall be determined as if the Cap for that Financial Year were the Threshold, and that Excess shall be applied in the manner specified in clause 18.6(a).
- (b) For the purposes of this clause 18.4 and clauses 18.5, 18.6, 18.7 and 18.8:
- (i) "**Benchmark Index**" means a gross accumulation index created from entities listed on the NZSX that have a principal focus on investment in real property, excluding the Trust, in a form consistent with the terms of the explanatory memorandum sent by the Manager to Unit Holders concerning the Performance Fee dated 13 November 2007, as calculated by a suitably qualified and experienced person appointed by the Manager and approved by the Supervisor. The Benchmark Index shall commence at 100 on the first Business Day of the relevant Financial Year.
 - (ii) "**Cap**" means, subject to clause 18.4(a)(iv) and in respect of any Financial Year, an amount calculated at the rate of the aggregate of the Target Return and 5% per annum on the opening Unit price for that Financial Year (calculated in accordance with clause 18.4(c)) and expressed as a monetary amount.
 - (iii) "**Deficit**" means, where Unit Holders' Returns for the relevant Financial Year are less than the Threshold, the difference, expressed as a monetary amount, between the Threshold and the actual Unit Holders' Returns for that Financial Year.
 - (iv) "**Distribution**" means, in respect of any Financial Year, the aggregate distributions per Unit declared by the Manager for, and relating to, that Financial Year, plus the aggregate imputation credits per Unit attached to those distributions.
 - (v) "**Excess**" means, subject to clause 18.4(a)(iv) and where Unit Holders' Returns for the relevant Financial Year are greater than the Cap, the difference, expressed as a monetary amount, between the Unit Holders' Returns in the relevant Financial Year and the Cap.

- (vi) "**Net Balance**" means, at the end of each Financial Year, the amount for that Financial Year determined in accordance with clause 18.6(a).
 - (vii) "**Target Return**" means, in respect of any Financial Year, the return represented by the change in the Benchmark Index between the first Business Day of the Financial Year and the final Business Day of the Financial Year, as calculated by a suitably qualified and experienced person appointed by the Manager and approved by the Supervisor, expressed as a percentage.
 - (viii) "**Threshold**" means, in respect of any Financial Year, an amount calculated as the Target Return per annum on the opening Unit price for that Financial Year (calculated in accordance with clause 18.4(c)) and expressed as a monetary amount.
 - (ix) "**Unit Holders' Returns**" means, in the relevant Financial Year, the Distribution for that Financial Year, plus or minus (as the case may be) the change in Unit price of the Units of the Trust over the relevant Financial Year (calculated in accordance with clause 18.4(c)) and plus or minus any Net Balance applied pursuant to clause 18.6(b).
- (c) For the purposes of calculating the opening price of Units and any change in the price of Units in this clause 18.4:
- (i) the opening Unit price (subject to adjustment under clause 18.5 for a rights issue or a reorganisation of issued capital) for the relevant Financial Year shall be the weighted average of the prices at which Units were sold through the NZSX during the last five trading days of the previous Financial Year; and
 - (ii) the closing price of Units during the relevant Financial Year shall be the weighted average of the prices at which Units were sold through the NZSX during the last five trading days of the relevant Financial Year,
- or, if no sales occurred during the relevant period, the weighted average of the prices at which Units were sold through the NZSX on the last trading day on which sales occurred prior to that period.
- (d) The amendments made to clauses 18.4 to 18.8, as approved by Unit Holders at a meeting on 30 November 2007, shall be deemed to come into effect on 1 April 2007, such that the Performance Fee for each Financial Year thereafter shall be calculated in accordance with clause 18.4 to clause 18.8, as amended.

18.5 Rights Issue adjustment:

- (a) Where there has been a rights issue during the relevant Financial Year, the opening price (for the purposes of clause 18.4(c)) shall be calculated as follows:

$$\frac{(P \times p) + (R_1 \times r_1)}{p + r_1}$$

where:

P = the opening price of Units on issue at the start of the relevant Financial Year (calculated in accordance with clause 18.4(c));

p = the number of Units on issue at the start of the relevant Financial Year;

R1 = rights issue price; and

r1 = number of Units taken up under the rights issue.

- (b) In the event of a reorganisation of the issued capital of the Trust (other than a rights issue but including, although not limited to, a subdivision, consolidation or cancellation of Units) during the relevant Financial Year, the opening price shall be adjusted by the Manager to fairly reflect the effect of the reorganisation on the price of the Units. The Manager shall ensure that the method of calculation is approved by a suitably qualified independent chartered accountant as being fair and reasonable in the circumstances.

18.6 Deficits, Excesses and Net Balance:

- (a) As at 1 April 2007, the Net Balance is deemed to be zero. At the end of each following Financial Year:
- (i) First, if any amount of the Net Balance at the end of the prior Financial Year is applied:
 - (aa) in accordance with clause 18.6(b)(i), that amount shall be subtracted from the Net Balance; and
 - (bb) in accordance with clause 18.6(b)(ii), that amount shall be added to the Net Balance.
 - (ii) After any adjustment pursuant to clause 18.6(a)(i), if there is a Deficit for that Financial Year, an amount equal to that Deficit multiplied by the

weighted average number of Units on issue during the Financial Year shall be subtracted from the Net Balance.

- (iii) After any adjustment pursuant to clause 18.6(a)(i), if there is an Excess for that Financial Year, an amount equal to that Excess multiplied by the weighted average number of Units on issue during the Financial Year shall be added to the Net Balance.

(b) To determine Unit Holders' Returns for a Financial Year:

- (i) If the Net Balance at the end of the prior Financial Year is positive, it shall be divided by the weighted average number of Units on issue during the Financial Year, and that amount shall then be applied (as an addition) to determine Unit Holders' Returns in the relevant Financial Year, but only to the extent of the Cap.
- (ii) If the Net Balance at the end of the prior Financial Year is negative, it shall be divided by the weighted average number of Units on issue during the Financial Year, and that amount shall then be applied (as a subtraction) to determine Unit Holders' Returns in the relevant Financial Year, but only to the extent that Unit Holders' Returns would otherwise be greater than the Threshold.

18.7 Cessation of Trust or management: On termination of the Trust, or if the Manager ceases to hold office as manager of the Trust for any reason, the Manager shall be paid out of the Assets:

- (a) all fees under this section 18 which have accrued prior to the date of termination or cessation (as the case may be), within 14 days of that date;
- (b) a proportion of the Base Fee instalment accrued or payable for the month in which the date of termination or cessation (as the case may be) falls, equal to the proportion that the number of days in that month prior to (and including) that date bears to the total number of days in that month, within 14 days of the end of that month. Any person becoming the manager of the Trust in that month shall be entitled to the balance of the Base Fee instalment;
- (c) an amount equal to the Performance Fee that would be payable under clauses 18.4 to 18.6 for the period between the expiry of the prior Financial Year and the date of termination or cessation (as the case may be), calculated as if that period was a Financial Year, and provided that:

- (i) notwithstanding anything in clause 18.6, any Net Balance at the end of the prior Financial Year shall be applied in accordance with clause 18.6(b)(i) or clause 18.6(b)(ii) (as the case may be), without restriction by the Threshold or Cap, to determine Unit Holders' Returns in that period;
- (ii) notwithstanding anything in clause 18.4(b), for the purposes of this clause 18.7 the "Threshold" means, for that period, an amount calculated at the Target Return per annum on the opening Unit price for that period (calculated in accordance with clause 18.4(c)) and expressed as a monetary amount;
- (iii) if Unit Holders' Returns in that period are greater than the Cap, the Performance Fee for that period shall be determined in accordance with clause 18.4(a)(iii), except that it shall not be limited by reference to the Cap, provided that no Performance Fee shall be payable if Unit Holders' Returns in that period are less than zero; and
- (iv) no Performance Fee shall be payable for the Financial Year in which the termination or cessation occurs to any person becoming the manager of the Trust in that period. At the commencement of the following Financial Year, the Net Balance shall be deemed to be zero.

18.8 Obligation to subscribe for Units:

- (a) On receipt of payment of any Base Fee, the Manager shall immediately thereafter subscribe (or cause a person nominated by the Manager to subscribe) for, and shall issue to itself or such person, a number of Units (rounded down to the nearest whole number of Units) determined as follows:

$$\text{Number of Units} = \frac{\text{Amount of Base Fee}}{P}$$

where "P" is the higher of:

the weighted average trading price of the Units on the NZSX over the five Business Days preceding the date of receipt of payment of the Base Fee; and

the Net Asset Value per Unit on the day immediately preceding the date of receipt of payment of the Base Fee,

The Manager or other person to whom the Units are issued shall immediately pay an amount equal to the Base Fee to the Supervisor as payment for the issue of such Units.

 - (iv) if a majority of the Independent Directors (as defined in the Listing Rules) of the Manager determines that the issue of Units pursuant to clause 18.8(a) is not in the best interests of the Trust;
 - (v) to the extent that the issue of Units pursuant to clause 18.8(a), assuming any issue of Units expected to be made under clause 18.8(c) (or otherwise expected to be made to any member of the group of companies, trusts and other entities of which the Manager is a member) had been made, would cause the Manager or that group to hold 25% or more of the total Units, or, where the Manager or that group already holds 25% or more of the total Units, would cause the Manager or that group to hold a higher percentage of the total Units; or
 - (vi) to any Base Fee paid with respect to any period after 31 March 2019.
- (c) On receipt of payment of any Performance Fee, the Manager shall immediately thereafter subscribe (or cause a person nominated by the Manager to subscribe) for, and shall issue to itself or such person, a number of Units (rounded down to the nearest whole number of Units) determined as follows:

- (ii) the Net Asset Value per Unit on the day immediately preceding the date of receipt of payment of the Performance Fee,

provided that if the Units are not Quoted, or if no sale occurred on any day referenced in paragraph (i), "P" shall be the amount specified in paragraph (ii).

The Manager or other person to whom the Units are issued shall immediately pay an amount equal to the Performance Fee to the Supervisor as payment for the issue of such Units. Units issued under this clause shall be issued after the final record date for any distribution made to Unit Holders for, and relating to, that Financial Year.

- (d) Clause 18.8(c) shall have no application:
 - (i) to any Performance Fee or other amount paid in accordance with clause 18.7;

 - (iii) if the Manager, having taken legal advice from a firm experienced in matters of this nature, determines that it would be, or would likely be, a breach of any law to issue any Units pursuant to that clause; or
 - (iv) if a majority of the Independent Directors of the Manager determine that the issue of Units pursuant to clause 18.8(c) is not in the best interests of the Trust.

These providers will be paid a reasonable fee for their services by the Trust. Such services shall be on normal commercial terms, or terms as favourable to the Trust as normal commercial terms.

- (b) Instead of contracting other parties to do so, the Manager may, with the Supervisor's approval (such approval not to be unreasonably withheld or delayed), itself provide services in relation to engineering, repairs, maintenance, leasing, sales and acquisitions, property development, project management, building design and registry management. The Manager is entitled to reasonable fees for these services, if it provides them itself, in addition to its fees for managing the Trust. 18.12 **Supervisor to Assist Management:** Subject to this deed, the Supervisor is empowered to advance or otherwise make available to the Manager out of the Trust, or to authorise the Manager to retain out of the Trust, such amount as the Supervisor from time to time considers to be reasonable and proper in order to enable the Manager to perform and carry out its powers and obligations with regard to the management of the Trust. Any such amount shall be on account only of costs, charges and expenses that are, or will become, reimbursable to the Manager, or are or will be owing in respect of Assets. The Manager shall, whenever so required by the Supervisor, furnish to the Supervisor such evidence as the Supervisor may require as to the utilisation of any such amounts and the purpose for which the same have been or are intended to be applied by the Manager.

provided that the Supervisor shall not be so entitled to remove the Manager pursuant to either of clauses 19.2(a) or 19.2(b), unless the Supervisor has given 30 Business Days' prior notice to the Manager of the relevant breach or failure, and the Manager has failed in that period to remedy, or take reasonable steps to remedy, that breach or failure.

19.3 Manager to cease activities: If the Manager ceases to hold office in relation to the Trust pursuant to clauses 19.1 or 19.2 the Manager shall immediately desist from all activities related to the Trust.

- 19.4 **Manager may retire:** The Manager may retire in relation to the Trust at any time, without assigning any reason, upon giving 90 days' notice in writing to the Supervisor of its intention to do so. However, the benefit extended to members of the Group is intended to be limited by, and enforceable subject to, the rights of parties to the deed to vary or discharge benefits or obligations as provided in this deed, without the consent of members of the Group, other than Goodman (NZ) Limited (the consent of which shall be required).

- 20.4 **Power to Borrow and give Guarantees:**
- (a) Subject to clauses 20.4(b) to 20.4(e), the Supervisor shall have the power to, and at the direction of the Manager if the Statement of Investment Policy and Objectives so allow shall, raise or borrow any sum or sums of money or obtain credit, accommodation or finance for the purposes of the Trust, and give any guarantee or undertaking or security in relation to the repayment of money and interest, costs and other charges and expenses upon such terms and conditions in all respects as the Manager may think fit, and in particular but without limiting the generality of the terms of this clause by becoming a party to a bill of exchange or by charging or mortgaging all or any of the Assets; provided that the aggregate of total borrowings made by the Supervisor together with any amounts guaranteed (not being amounts included in total borrowings) shall not exceed 50% of the aggregate Value of the Assets.
- (b) All borrowings, raising of money, charging of Assets, guarantees or other similar transactions entered into or undertaken pursuant to this clause 20.4 in relation to the Trust ("**Security Transactions**") shall be entered into or made only where the Manager in good faith determines that the Security Transactions are necessary or desirable in the general interests of the Unit Holders or for the purposes of conducting the investment or management or other operations of the Trust pursuant to this deed including the repayment or redemption of any Units from time to time and the Supervisor or any lender may rely upon a certificate given by the Manager as to any determination made by the Manager in respect of any Security Transaction.

- (e) There shall be no obligation upon the Supervisor to comply with any direction given pursuant to clause 20.4(a) or clause 20.4(c) or to complete any documents, guarantees or securities unless the Supervisor is satisfied that the Supervisor's liability is restricted to the Assets.

Provided that the Supervisor shall be entitled to require, prior to acting in any circumstances where in the Supervisor's view it is reasonable to do so, evidence satisfactory to it that it will be indemnified from the Assets for any costs or expenses incurred as a consequence of so acting and shall not be liable or responsible for any losses arising from its failure to act in such circumstances.

20.8 **Supervisor's Indemnity:** Should the Supervisor purchase or otherwise acquire or sell or otherwise dispose of any Asset in relation to which there is a liability, the Supervisor will have a right of indemnity out of the Trust in respect of the liability except to the extent that such liability may be attributable to the Supervisor's own negligence or wilful act or default.

Notwithstanding any other provision of this deed, no Equity Securities may be issued, repurchased by the Manager or redeemed after expiry of the perpetuity period, unless that issue or redemption would not offend the rule against perpetuities, or any other rule of law. For the avoidance of doubt, the reference to a perpetuity period in this clause, does not require that the Trust terminate on expiry of that period.

26.3 **Procedure:** On termination, the Supervisor must realise the Assets. This must be completed as soon as practicable after termination. The Supervisor may, however, postpone realisation of the Assets or any Asset if it reasonably considers it is in the interests of Unit Holders to do so, and will not be responsible for any consequent Unit Holder's loss.

26.5 **Calls by the Supervisor:** If there is a deficiency in the Assets compared to the Liabilities, then (subject to the rights, obligations and restrictions attaching to Units or Classes of Units), the Supervisor may call on a Unit Holder to pay all or any part of the Unpaid Amount of their Units as the Supervisor calculates represents the amount of the deficiency divided amongst the Units which are partly paid and such amounts are to be applied by the Supervisor under clause 26.3.

27. AMENDMENTS

27.1 **Amendments by Supplemental Deed:** Subject to any requirements of law, the Supervisor and the Manager may, by deed supplemental to this deed amend, add to or revoke any provision of this deed or any such supplemental deed if the amendment, addition or revocation:

- (a) is in the opinion of the Supervisor and the Manager necessary or expedient to comply with the provisions of any statute, ordinance, regulation or by-law or any law made under the authority of any statute, regulation, by-law or ordinance or is the requirement of any competent statutory authority or the Listing Rules; or
- (b) is in the opinion of the Supervisor and the Manager required by or in consequence of or consistent with any amendment to the Act or the Listing Rules and which the Supervisor is satisfied does not have a material adverse effect on the Unit Holders; or
- (c) is in the opinion of the Supervisor made to correct a manifest error or is of a formal, technical or administrative nature only; or
- (d) does not, to the satisfaction of the Supervisor, have a material adverse effect on the Unit Holders; or
- (e) will in the opinion of the Supervisor enable the provisions of this deed to be more conveniently or advantageously administered; or
- (f) is approved by an Extraordinary Resolution of all Unit Holders or, as the case may be, an Extraordinary Resolution of each class of Unit Holders that is or may be adversely affected by the amendment, addition or revocation; or

- 28.2 **Deemed Service:** Any notice, communication or information sent by post shall be deemed to have been served at the expiration of 24 hours after the envelope or wrapper containing the same is posted and in proving such service, it shall be sufficient to prove that the envelope or wrapper containing the notice was properly addressed and posted. Any notice, communication or information sent by email during a Business Day between 9am and 5pm will be deemed to have been served at the expiration of 24 hours after having been sent.
- 28.3 **Signature on Notices:** The signature to any notice to be given by the Manager or the Supervisor may be written or printed.
- 28.4 **Period of Notice:** Subject to the Act, where a given number of days' notice or notice extending over any other period is required to be given, either the day of service or the day upon which the notice will expire (but not both) shall be reckoned in the number of days or other period.

2 LISTING RULES - COMPLIANCE WITH NZX REQUIREMENTS

- 2.2 The Manager shall comply with the Listing Rules. The Supervisor, in its capacity as trustee and supervisor of the Trust, shall do everything which is within its powers and which is necessary to enable the Manager to comply with the Listing Rules.
- 2.3 If NZX has granted a Ruling in relation to the Trust authorising any act or omission which in the absence of that Ruling would be in contravention of the Listing Rules or this deed, that act or omission shall, unless a contrary intention appears in this deed, be deemed to be authorised by the Listing Rules and by this deed.
- 2.4 If any provision in this deed is inconsistent with the Listing Rules, the Listing Rules prevail.

This clause does not affect the rights of any holder of Financial Products against the Trust, the Supervisor, the Manager or the directors of the Manager arising from the failure to comply with the Listing Rules or a clause in this deed corresponding with a provision of the Listing Rules.

3 GOVERNANCE

3.1 **Composition of the Board:** The Manager shall ensure that:

- (a) the number of Directors of the Manager (disregarding any alternate Director) is no less than three, and no more than seven;
- (b) at least two of the Directors of the Manager are ordinarily resident in New Zealand; and
- (c) subject to clause 3.2, a majority of the Directors of the Manager are Independent Directors.

It shall not be a breach of clause 3.1(c) if, as a result of an Independent Director ceasing to be a Director of the Manager (through resignation or otherwise), there is no longer a majority of the Directors of the Manager who are Independent Directors, provided that:

- (d) the non-compliance with clause 3.1(c) continues for a period of no more than six months; and
- (e) throughout any period of non-compliance, the minimum number of Directors of the Manager who are Independent Directors is two.

3.2 **Independent Directors:** The Manager shall ensure that:

- (a) unless the shareholders of the Manager otherwise agree, there shall at no time be more than four Independent Directors of the Manager; and
- (b) if, having regard to clause 3.2(a), there are at any annual meeting more persons approved for appointment as an Independent Director than there are vacancies on the Board for Independent Directors, then a number of those persons equal to the number of vacancies on the Board for Independent Directors, and determined according to which of them received the greatest number of votes in favour of their appointment, shall be the only persons treated as being approved as Independent Directors.

3.4 **Determination of Independent Directors:** Notwithstanding clauses 3.2 and 3.3, a person may be removed from office, or otherwise cease to hold office, as an Independent Director, and a person is not required to be appointed as an Independent Director, if:

- (a) a majority of the existing Independent Directors (excluding the Independent Director who is the subject of the determination (if applicable)) determines that the appointment of that person as an Independent Director of the Manager, or the continuation of that Independent Director in office (as the case may be), may have an adverse affect on any licence, authorisation, or approval held, or required to be held, by the Manager, or determines that the person does not qualify (or no longer qualifies) as an Independent Director;
- (b) the person:
 - (i) dies, or is mentally disordered or subject to a property order or personal order made under the Protection of Personal and Property Rights Act 1988;
 - (ii) is disqualified from being a Director pursuant to the Companies Act 1993;

- (b) evaluating competencies required of prospective Directors of the Manager; and
- (c) making Independent Director recommendations to the Board and Unit Holders.

3.9 **Termination:** Clauses 3.1(c) to 3.8 shall apply only for as long as Goodman (NZ) Limited (or any other member of the group of companies, trusts and other entities of which it is a member) holds office as manager of the Trust, and shall terminate (and be of no further force or effect) on Goodman (NZ) Limited (or any other member of that group) no longer being manager of the Trust (provided that, from the termination of clause 3.1(c), the minimum number of Independent Directors of the Manager shall be two).

4 OTHER

4.1 **Registration of separate parcels:** A holder of Financial Products or a transferee may request the Manager to register the Financial Products held by that person in two or more separately identifiable parcels. Where the Manager agrees to such a request, the Manager may, so far as it considers convenient, communicate with the holder of those Financial Products, pay distributions or interest and otherwise act in respect of such parcel, as if the separately identifiable parcels belonged to different persons.
